Pricing for Web Site Design packages

Because of the variety and various types of websites, each job is unique and each requires different elements. I have developed the following set of packages that include the basic elements of web site design. These packages do not include domain name registration and web site hosting, but I can recommend and set those up for you as well. See the [Additional Services](#) table for those prices.

Web Site Design Packages		
2 Page Site	Includes Graphics, images and links that are provided by the Client. Text/Meta tags 2 Pictures scanned	\$250.00
4 Page Site	Includes Graphics, images and links that are provided by the Client. Text/Meta tags 4 Pictures scanned	\$395.00
6 Page Site	Includes Graphics, images and links that are provided by the Client. Text/Meta tags 8 Pictures scanned	\$525.00
10 Page Site	Includes Graphics, images and links that are provided by the Client. Text/Meta tags 15 Pictures scanned	\$825.00
20 Page Site	Includes Graphics, images and links that are provided by the Client. Text/Meta tags 30 Pictures scanned Submission to 50 Search Engines	\$1400.00

30 Page Site	Includes Graphics, images and links that are provided by the Client. Text/Meta tags 40 Pictures scanned Submission to 50 Search Engines	\$1800.00
--------------	--	-----------

[Back to Top](#)

If you are not interested in a package, my hourly rate is \$75.00 per hour.

Any additional services not part of a package pricing are quoted on an individual basis.

To set up a free consultation or for a free quote, please send me [e-mail](#) or phone 614-855-2884 or visit the [Contact](#) page.

One thing is constant, no matter how small or how big your site will be, I will design a site that will be inviting, user friendly, and meet the goals of your company.
